- 820 events in 56 of Wisconsin's 72 counties
- 196 participating venues
- 1,500 field trip students
- 3.9 million media impressions
- 93,000+ web page views during the festival month

"Outreach is crucial for fostering interest in STEM fields and equipping students with the skills needed to tackle the challenges of the future. By sponsoring and participating in educational programs such as the Wisconsin Science Festival, Thermo Fisher is inspiring young minds, nurturing their curiosity and building their foundation in science, technology, engineering and mathematics. "

- Karen Nelson (Chief Scientific Officer - ThermoFisher Scientific)
